The cost of soliciting proxies in connection with the Meeting will be borne directly by the Corporation.

Voting of Proxies

The common shares in the capital stock of the Corporation (“Common Shares”) represented by the accompanying form of proxy (if same is properly executed and is received at the offices of Computershare at the address provided herein, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof), will be voted at the Meeting, and, where a choice is specified in respect of any matter to be acted upon, will be voted or withheld from voting in accordance with the specification made on any ballot that may be called for. **In the absence of such specification, proxies in favour of management will be voted in favour of all resolutions described below. The enclosed form of proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Annual General Meeting of Shareholders and with respect to other matters which may properly come before the Meeting.** At the time of printing of this Circular, management knows of no such amendments, variations or other matters to come before the Meeting. However, if any other matters that are not now known to management should properly come before the Meeting, the form of proxy will be voted on such matters in accordance with the best judgment of the named proxies.

How to Vote – Registered Shareholders

By Proxy

1. By telephone • 1.866.732.VOTE(8683)

2. On the internet • www.investorvote.com
3. By mail • Computershare Investor Services Inc., 8th floor, 100 University Avenue, Toronto, Ontario M5J 2Y1
4. By fax • 1.866.249.7775
5. You may appoint another person or company as your proxyholder to go to the Meeting and vote your Common Shares for you. This person does not have to be a Shareholder but must attend the Meeting.

The vote at the Meeting may be conducted by show of hands or by ballot.

Appointment of Proxies

The persons named in the enclosed form of proxy are officers and/or directors of the Corporation. **A Shareholder desiring to appoint some other person, who need not be a Shareholder, to represent him or her at the Meeting, may do so by inserting such person's name in the blank space provided in the enclosed form of proxy or by completing another proper form of proxy and, in either case, depositing the completed and executed proxy at the offices of Computershare, at the address provided herein, not later than forty-eight (48) hours (excluding Saturdays, Sundays and statutory holidays in the City of Toronto, Ontario) prior to the time set for the Meeting or any adjournment(s) or postponement(s) thereof.**

A Shareholder forwarding the enclosed form of proxy may indicate the manner in which the appointee is to vote with respect to any specific item by checking the appropriate space. If the Shareholder giving the proxy wishes to confer a discretionary authority with respect to any item of business, then the space opposite the item is to be left blank. The Common Shares represented by the form of proxy submitted by a Shareholder will be voted in accordance with the directions, if any, given in the form of proxy.

To be valid, a form of proxy must be executed by a Shareholder or a Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney.

Revocation of Proxies

A proxy given pursuant to this solicitation may be revoked at any time prior to its use. A Shareholder who has given a proxy may revoke the proxy by:

- (i) completing and signing a proxy bearing a later date and depositing it at the offices of Computershare, 8th floor, 100 University Avenue, Toronto, Ontario M5J 2Y1;
- (ii) depositing an instrument in writing executed by the Shareholder or by the Shareholder's attorney duly authorized in writing or, if the Shareholder is a body corporate, under its corporate seal or, by a duly authorized officer or attorney either with Computershare at any time up to and including the last business day preceding the day of the Meeting or any adjournment(s) or postponement(s) thereof or with the Chairman of the Meeting prior to the commencement of the Meeting on the day of the Meeting or any adjournment(s) or postponement(s) thereof; or
- (iii) in any other manner permitted by law.

Such instrument will not be effective with respect to any matter on which a vote has already been cast pursuant to such proxy.

Voting by Non-Registered Shareholders

Only registered Shareholders or the persons they appoint as their proxies are permitted to vote at the Meeting. Most Shareholders are "non-registered" Shareholders ("**Non-Registered Shareholders**") because the Common Shares they own are not registered in their names but are instead registered in the name of the brokerage firm, bank or trust

company through which they purchased the Common Shares. Common Shares beneficially owned by a Non-Registered Shareholder are registered either: (i) in the name of an intermediary (“**Intermediary**”) that the Non-Registered Shareholder deals with in respect of the Common Shares; or (ii) in the name of a clearing agency (such as CDS Clearing and Depository Services Inc. (“**CDS**”)) of which the Intermediary is a participant. In accordance with applicable securities law requirements, the Corporation will have distributed copies of the Notice of Annual General Meeting of Shareholders, this Circular, the form of proxy and a request card for interim and annual materials (collectively, the “**Meeting Materials**”) to the clearing agencies and Intermediaries for distribution to Non-Registered Shareholders. The Corporation does not intend to pay for the delivery of the Meeting Materials to objecting Non-Registered Shareholders.

Intermediaries are required to forward the Meeting Materials to Non-Registered Shareholders unless a Non-Registered Shareholder has waived the right to receive them. Intermediaries often use service companies to forward the Meeting Materials to Non-Registered Shareholders. Generally, Non-Registered Shareholders who have not waived the right to receive Meeting Materials will either:

- (i) be given a voting instruction form **which is not signed by the Intermediary** and which, when properly completed and signed by the Non-Registered Shareholder and **returned to the Intermediary or its service company**, will constitute voting instructions (often called a “**voting instruction form**”) which the Intermediary must follow. Typically, the voting instruction form will consist of a one-page pre-printed form. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. (“**Broadridge**”) in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Non-Registered Shareholders and asks Non-Registered Shareholders to return the forms to Broadridge or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of the shares to be represented at the Meeting. Sometimes, instead of the one-page pre-printed form, the voting instruction form will consist of a regular printed proxy form accompanied by a page of instructions which contains a removable label with a bar-code and other information. In order for this form of proxy to validly constitute a voting instruction form, the Non-Registered Shareholder must remove the label from the instructions and affix it to the form of proxy, properly complete and sign the form of proxy and submit it to the Intermediary or its service company in accordance with the instructions of the Intermediary or its service company. **A Non-Registered Shareholder who receives a voting instruction form cannot use that form to vote his or her Common Shares at the Meeting;** or
- (ii) be given a form of proxy **which has already been signed by the Intermediary** (typically by a facsimile, stamped signature), which is restricted as to the number of shares beneficially owned by the Non-Registered Shareholder but which is otherwise not completed by the Intermediary. Because the Intermediary has already signed the form of proxy, this form of proxy is not required to be signed by the Non-Registered Shareholder when submitting the proxy. In this case, the Non-Registered Shareholder who wishes to submit a proxy should properly complete the form of proxy and deposit it with Computershare at the address provided herein.

In either case, the purpose of these procedures is to permit Non-Registered Shareholders to direct the voting of the Common Shares they beneficially own. Should a Non-Registered Shareholder who receives one of the above forms wish to vote at the Meeting, or any adjournment(s) or postponement(s) thereof, (or have another person attend and vote on behalf of the Non-Registered Shareholder), the Non-Registered Shareholder should strike out the persons named in the voting instruction form and insert the Non-Registered Shareholder or such other person’s name in the blank space provided. **In either case, Non-Registered Shareholders should carefully follow the instructions of their Intermediary, including those regarding when and where the voting instruction form is to be delivered.**

A Non-Registered Shareholder may revoke a voting instruction form or a waiver of the right to receive Meeting Materials and to vote which has been given to an Intermediary at any time by written notice to the Intermediary provided that an Intermediary is not required to act on a revocation of a voting instruction form or of a waiver of the right to receive Meeting Materials and to vote, which is not received by the Intermediary at least seven (7) days prior to the Meeting.

How to Vote – Beneficial Shareholders

1. Your nominee is required to ask for your voting instructions before the Meeting, and you should contact your nominee if you did not receive a request for voting instructions or a proxy form with this Circular.

3. Less frequently, you will receive a proxy form signed by the nominee that is restricted as to the number of Common Shares beneficially owned by you but is otherwise incomplete. If you receive a proxy form, you should complete and return it in accordance with the directions on the proxy form to the Corporation, c/o Computershare Investor Services Inc., 8th floor, 100 University Avenue, Toronto, Ontario M5J 2Y1, Fax: 1.866.249.7775.

EXECUTIVE COMPENSATION

Compensation Discussion and Analysis

The purpose of this Compensation Discussion and Analysis is to provide information about the Corporation’s executive compensation philosophy, objectives, and processes and to discuss compensation decisions relating to the Corporation’s Chief Executive Officer, Chief Financial Officer, and, if applicable, its three most highly compensated individuals acting as, or in a like capacity as, executive officers of the Corporation whose total compensation for the most recently completed financial year was individually equal to more than \$150,000 (the “NEOs” or “Named Executive Officers”), during the Corporation’s most recently complete financial year, being the financial year ended December 31, 2021 (the “Last Financial Year”). The NEOs of the Corporation during the Last Financial Year were Roger Dent, the Chief Executive Officer and a Director of the Corporation, and Keith Li, the Chief Financial Officer of the Corporation.

Compensation & Corporate Governance Committee

The compensation & corporate governance committee (“**Compensation & Corporate Governance Committee**”) is currently comprised of three directors, namely Ross Geddes (Chairman), Roger Dent and Eric Szustak. Messrs. Geddes and Szustak are independent within the meaning of Canadian Securities Administrator’s National Instrument 58-101 – *Disclosure of Corporate Governance Practices* (“**NI 58-101**”). Mr. Dent is not independent as he is an officer of the Corporation and thereby has a “material relationship” with the Corporation.

The Compensation & Corporate Governance Committee’s purpose is, among other things, to: (i) review and make recommendations to the Board at least annually regarding the Corporation’s remuneration and compensation policies, including short and long-term incentive compensation plans and equity-based plans, bonus plans, pension plans (if any), executive stock option plans (including the Corporation’s incentive stock option plan) and grants, and benefit plans; (ii) have the sole authority to retain and terminate any compensation consultant to assist in the evaluation of director compensation, including sole authority to approve fees and other terms of the retention; (iii) review and approve at least annually all compensation arrangements with the senior executives of the Corporation; (iv) review and approve at least annually all compensation arrangements with the directors of the Corporation; and (v) review the executive compensation sections disclosed in the Corporation’s management proxy circular distributed to the Shareholders in respect of the Corporation’s annual meetings of Shareholders.

Compensation Process

The Board relies on the knowledge and experience of the directors thereon and the members of the Compensation & Corporate Governance Committee to set appropriate levels of compensation for senior officers. Neither the Corporation nor the Board, nor the Compensation & Corporate Governance Committee, currently has any contractual arrangement with any executive compensation consultant who has a role in determining or recommending the amount or form of senior officer compensation.

The Compensation & Corporate Governance Committee reviews the various elements of the NEOs’ compensation in the context of the total compensation package (including salary, consulting fees and prior awards under the Corporation’s stock option plan) and recommends to the Board the NEOs’ compensation packages. The Compensation

& Corporate Governance Committee’s recommendations regarding NEO compensation are presented to the independent members of the Board for their consideration and approval.

Principles / Objectives of the Compensation Program

The primary goal of the Corporation’s executive compensation program is to attract, motivate and retain top quality individuals at the executive level. The program is designed to ensure that the compensation provided to the Corporation’s senior officers is determined with regard to the Corporation’s business strategy and objectives and financial resources, and with the view of aligning the financial interests of the senior officers with the financial interests of the shareholders of the Corporation.

Compensation Program Design and Analysis of Compensation Decisions

Standard compensation arrangements for the Corporation’s senior officers are composed of the following elements, which are linked to the Corporation’s compensation and corporate objectives as follows:

Compensation Element	Link to Compensation Objectives	Link to Corporate Objectives
Base Salary and/or Consulting Fees	<i>Attract and Retain</i>	Competitive pay ensures access to skilled employees necessary to achieve corporate objectives.
Stock Options	<i>Motivate and Reward Align interests with Shareholders</i>	Long-term incentives motivate and reward senior officers to increase shareholder value by the achievement of long-term corporate strategies and objectives.
Annual Incentive Bonus	<i>Motivate and Reward Align interests with Shareholders</i>	Bonus payments in cash or deferred share units incentivize senior officers to increase shareholder value by meeting investment targets and reaching corporate objectives.

Performance and Compensation

The Board did not establish any quantifiable criteria during the Last Financial Year with respect to base compensation payable or the amount of equity compensation granted to NEOs and did not benchmark against a peer group of companies.

Base Salaries and Consulting Fees

The Corporation reviews on an ongoing basis the appropriate compensation package for senior officers with the aim of providing base salaries or consulting fees which represent their minimum compensation for services rendered or expected to be rendered. NEOs’ base compensation will depend on the scope of their experience, responsibilities, leadership skills, performance, length of service, general industry trends and practices competitiveness, and the Corporation’s existing financial resources. Base salaries will be reviewed annually by the Compensation & Corporate Governance Committee. During the Last Financial Year, the Compensation & Corporate Governance Committee and the Board decided it would be in the best interests of the Corporation and its Shareholders to provide base salaries, payable on a monthly basis, to compensate senior officers for their ongoing contributions to the Corporation. Roger Dent, the Chief Executive Officer and a Director of the Corporation, receives a base monthly salary of \$11,250, and Keith Li, an employee of Branson Corporate Services Ltd., with which the Corporation has an agreement for CFO services, receives a monthly consulting fee of \$8,000.

Bonuses

The Corporation may, in its discretion, award annual incentives by way of cash bonuses in order to motivate executives to achieve short-term corporate goals and encourage continued high standards of performance. The success of NEOs in achieving their individual objectives and their contributions to the Corporation in reaching its overall goals are factors in the determination of their annual bonus. The Board has adopted a “bonus pool” whereby senior officers and directors may receive bonus awards calculated at 5% of net investment income, on an annual basis, payable in cash or equity incentive securities of the Corporation. During the Last Financial Year, Roger Dent, the Chief Executive Officer and a Director of the Corporation, was granted a management bonus of 774,000 deferred share units (“DSUs”) in recognition of the Company’s portfolio performance during the fiscal year ended December 31, 2020. This bonus

was awarded in accordance with the terms of the Corporation's deferred share unit plan (the "**DSU Plan**"). Eric Szustak, the Chairman and a Director of the Corporation, was not granted any bonus awards during the Last Financial Year.

The Compensation & Corporate Governance Committee determines target amounts based on a number of factors, including comparable compensation of similar companies. Each NEO may receive an annual incentive amount set by the Compensation & Corporate Governance Committee, depending on the assessment of such NEO's overall performance by the Compensation & Corporate Governance Committee and the Board.

The Board relies heavily on the recommendations of the Compensation & Corporate Governance Committee in granting annual incentives. However, the Board reserves ultimate discretion in determining whether each NEO has met his or her targets, and has the right make positive or negative adjustments to any annual incentive payment recommended by the Compensation & Corporate Governance Committee that it deems appropriate.

Stock Option Plan

The Corporation adopted an incentive stock option plan dated April 20, 2004, which was amended effective November 23, 2006 (the "**Stock Option Plan**"). Shareholders ratified and approved the Stock Option Plan on June 29, 2007. The Stock Option Plan, together with the DSU Plan, are the Corporation's only equity compensation plans approved by Shareholders. The total number of stock options that may be granted together with outstanding options and DSUs cannot exceed 10% of the total number of Common Shares issued and outstanding. As of the date of this Circular, the Corporation has 4,940,000 options outstanding to purchase Common Shares.

The Stock Option Plan is a rolling stock option plan, under which 10% of the outstanding Common Shares at any given time are available for issuance thereunder. The exercise price of each option may not be less than the market price of the Common Shares as calculated on the date of grant less an applicable discount. The options can be granted for a maximum term of five (5) years and vesting periods are determined by the Board. The purpose of the Stock Option Plan is to advance the interests of the Corporation by (i) providing certain employees, officers, directors or consultants of the Corporation (collectively, the "**Optionees**") with additional performance incentives; (ii) encouraging Common Share ownership by the Optionees; (iii) increasing the proprietary interest of the Optionees in the success of the Corporation; (iv) encouraging the Optionees to remain with the Corporation; and (v) attracting new employees, officers, directors and consultants to the Corporation.

The grant of options pursuant to the Stock Option Plan is an integral component of the compensation arrangements of the senior officers of the Corporation. The Board believes that the grant of options to senior officers and Common Share ownership by such officers serves to motivate such officers to strive towards achievement of the Corporation's long-term strategic objectives, which will benefit all Shareholders. Options may be awarded to employees of the Corporation by the Board. Decisions with respect to options granted are based upon the individual's level of responsibility and their contribution towards the Corporation's goals and objectives, and additionally may be awarded in recognition of the achievement of a particular goal or extraordinary service. The Board considers the overall number of options that are outstanding relative to the number of outstanding Common Shares in determining whether to make any new grants of options and the size of such grants.

DSU Plan

The Corporation's DSU Plan dated April 29, 2019 was ratified and approved by the Shareholders on June 25, 2019. The DSU Plan is designed to promote the alignment of interests among employees, directors, officers and Shareholders of the Corporation. The Compensation & Corporate Governance Committee is responsible for administering the DSU Plan, subject to the overriding authority of the Board to make all determinations and take all other actions in connection with or in relation to the DSU Plan as it may deem necessary or advisable. The following summary is subject to the specific provisions of the DSU Plan.

Employees, directors and officers (the "**Participants**", and each a "**Participant**") are eligible to participate in the DSU Plan. A DSU issued under the DSU Plan is a bookkeeping entry representing a future right to receive one

Common Share in accordance with the terms of the DSU Plan. As of the date of this Circular, the Corporation has 3,653,175.940 DSUs outstanding redeemable for Common Shares.

The aggregate number of Common Shares that may be reserved for issuance, at any time, under the DSU Plan and under any other security based compensation arrangement adopted by the Corporation, including the Corporation's Stock Option Plan, shall not exceed 10% of the total amount of Common Shares of the Corporation issued and outstanding as at the date of issuance of an incentive security.

Subject to applicable income tax and other withholdings as required by law, the value of the vested DSUs redeemed by or in respect of a Participant may be paid to the Participant, at the election of the Participant, in the form of Common Shares. Any vesting conditions (which may include time restrictions, performance conditions or a combination of both) for DSUs shall be determined by the Compensation & Corporate Governance Committee in advance of any grants. The Board may also, in its sole and absolute discretion, accelerate and/or waive any vesting or other conditions for all or any DSUs for any Participant at any time and from time to time.

Upon the occurrence of a Change of Control (as such term is defined in the DSU Plan), all of a Participant's unvested DSUs will automatically become vested DSUs on the date such change of control occurs and all of such Participant's vested DSUs will be redeemed in accordance with the terms of the DSU Plan in a manner that allows the Participant to participate in such Change of Control only if it is completed prior to the date of an event of termination (if any), as determined by the Board in its sole discretion.

If the number of outstanding Common Shares of the Corporation shall be increased or decreased as a result of a stock split, consolidation or recapitalization and not as a result of the issuance of Common Shares for additional consideration or by way of stock dividend, the Board may make appropriate adjustments to the number of DSUs credited to a Participant. Any determinations by the Board as to the required adjustments shall be made in its sole and absolute discretion and all such adjustments shall be conclusive and binding for all purposes under the DSU Plan.

Whenever cash dividends or distributions are paid on the Common Shares, additional DSUs may be credited to the Participant's DSU Account (as such term is defined in the DSU Plan). The number of such additional DSUs will be calculated by dividing the aggregate dividends or distributions that would have been paid to such Participant, if the DSUs in the Participant's DSU Account had been Common Shares, by the market price of the Common Shares on the date on which the dividends or distributions were paid on the Common Shares.

The Board reserves the right, in its absolute discretion, to amend, suspend or terminate the DSU Plan, or any portion thereof, at any time without obtaining shareholder approval, subject to those provisions of applicable law and regulatory requirements (including the rules, regulations and policies of the CSE), if any, that require shareholder approval.

Compensation Risk Considerations

The Compensation Committee is responsible for considering, establishing and reviewing executive compensation programs, and whether the programs encourage unnecessary or excessive risk taking. The Corporation believes the programs are balanced and do not motivate unnecessary or excessive risk taking. The Corporation does not have a policy in place which prohibits NEOs or directors from purchasing financial instruments that are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by the NEO or director. However, the Compensation Committee will continue to monitor whether such a policy should be adopted by the Corporation and provide such recommendations to the Board as needed.

Base salaries are fixed in amount and thus do not encourage risk taking. Annual incentive awards are based on various personal and company-wide achievements. Such performance goals are subjective and include achieving individual and/or corporate targets and objectives, as well as general performance in day-to-day corporate activities which would trigger the award of a bonus payment to the NEO. The determination as to whether a target has been met is ultimately made by the Board (after receiving recommendations of the Compensation Committee) and the Board reserves the right to make positive or negative adjustments to any bonus payment if they consider them to be appropriate. Funding of the annual incentive awards is capped at the company level and the distribution of funds to the executive officers is at the discretion of the Compensation Committee.

Stock option awards are important to further align employees' interests with those of the Shareholders. The ultimate value of the awards is tied to the Corporation's stock price and since awards are staggered and subject to long-term vesting schedules, they help ensure that NEOs have significant value tied to the Corporation's long-term stock price performance.

Director Compensation

The Board determines the level of compensation for directors based on recommendations from the Compensation & Corporate Governance Committee. The Board reviews directors' compensation as needed, taking into account time commitment, risks and responsibilities to ensure that the amount of compensation adequately reflects the responsibilities and risks of being a director and makes adjustments as deemed necessary.

The Board has adopted a cash compensation program for its directors with respect to general director’s duties, meeting attendance and for additional service on Board committees. As of July 1, 2021, directors receive a base fee of \$1,350 on a monthly basis, with members of the Audit Committee earning an additional \$400 per month and members of the Compensation & Corporate Governance Committee receiving an additional \$300 per month. Directors’ compensation is reviewed on an annual basis by the Board, with any changes based on the recommendation of the Compensation & Corporate Governance Committee. Directors are reimbursed for all reasonable out-of-pocket expenses incurred in attending Board, committee or Shareholder meetings and otherwise incurred in carrying out their duties as directors of the Corporation.

Directors may receive equity incentive grants determined by the Board pursuant to the Corporation’s incentive stock option plan and DSU Plan. To be adopted, this resolution is required to be passed by the affirmative vote of a majority of the votes cast at the Meeting.

Unless the Shareholder has specifically instructed in the enclosed form of proxy that the Common Shares represented by such proxy are to be withheld or voted otherwise, the persons named in the accompanying proxy will vote FOR the appointment of MNP as auditors of the Corporation to hold office until the next annual meeting of Shareholders or until a successor is appointed and to authorize the Board to fix the remuneration of the auditors.

Keith Li was a CFO of Beleave Inc., a CSE-listed company, from April 13, 2020, to April 17, 2020, which has been subject to a cease trade order issued by the Ontario Securities Commission on April 17, 2020, for failure to file certain continuous disclosure materials as required by Ontario securities law, as the previously filed financial statements were incomplete and omitted various required disclosures. The cease trade order expired on May 2, 2020, and the securities of Beleave Inc. were reinstated for trading on the CSE on May 4, 2020.

Keith Li has been a CFO of BitRush Corp. since December 19, 2018, which has been subject to a cease trade order issued by the Ontario Securities Commission since December 2, 2016. The Ontario Securities Commission issued a partial revocation order on April 29, 2019, in respect of the cease trade order, pursuant to which BitRush Corp. was permitted to undertake a private placement and complete certain other securities issuances. The cease trade order was revoked on May 21, 2021.

STATEMENT OF CORPORATE GOVERNANCE

Board of Directors

The Board and senior management consider good corporate governance to be central to the effective and efficient operation of the Corporation. The Board is committed to a high standard of corporate governance practices. The Board believes that this commitment is not only in the best interest of the Shareholders, but that it also promotes effective decision making at the Board level.

NI 58-101 defines an “independent director” as a director who has no direct or indirect “material relationship” with the issuer. A “material relationship” is as a relationship which could, in the view of the Board, be reasonably expected to interfere with the exercise of a member’s independent judgment. The Board maintains the exercise of independent supervision over management by ensuring that the majority of its directors are independent.

The Board is currently comprised of five (5) directors being Roger Dent, Eric Szustak, Ross Geddes, Anthony Roodenburg, and Susan Lambie. Messrs. Geddes, Szustak and Roodenburg are independent within the meaning of NI 58-101. Mr. Dent is not independent as he is an officer of the Corporation and thereby has a “material relationship” with the Corporation. Ms. Lambie is not independent as she is an immediate family member of Mr. Dent, who is an officer of the Corporation, and thereby has a “material relationship” with the Corporation. All of the current directors will be running for re-election.

The Board believes that it functions independently of management and reviews its procedures on an ongoing basis to ensure that it is functioning independently of management. The Board meets without management present, as circumstances require. When conflicts arise, interested parties are precluded from voting on matters in which they may have an interest. In light of the suggestions contained in National Policy 58-201 – *Corporate Governance Guidelines*, the Board convenes meetings, as deemed necessary, of the independent directors, at which non-independent directors and members of management are not in attendance.

Orientation and Continuing Education of Board Members

The Board, together with the Compensation & Corporate Governance Committee is responsible for providing a comprehensive orientation and education program for new directors which fully sets out:

- the role of the Board and its committees;
- the nature and operation of the business of the Corporation; and
- the contribution which individual directors are expected to make to the Board in terms of both time and resource commitments.

In addition, the Board, together with the Compensation & Corporate Governance Committee, is also responsible for providing continuing education opportunities to existing directors so that individual directors can maintain and enhance their abilities and ensure that their knowledge of the business of the Corporation remains current.

Ethical Business Conduct

In addition to those matters which, by law, must be approved by the Board, the approval of the Board is required for:

- the Corporation's annual business plan and budget;
- material transactions not in the ordinary course of business; and
- transactions which are outside of the Corporation's existing business.

To ensure the directors exercise independent judgment in considering transactions and agreements in which a director or officer has a material interest, all such matters are considered and approved by the independent directors. Any interested director would be required to declare the nature and extent of his interest and would not be entitled to vote at meetings of directors which evoke such a conflict.

Nomination of Directors

The Board holds the responsibility for the appointment and assessment of directors.

When considering candidates for the role of director, the Board takes into account a number of factors, including the following (although candidates need not possess all of the following characteristics and not all factors are weighted equally):

- personal qualities and characteristics, accomplishments and reputation in the business community;
- current knowledge and contacts in the countries and/or communities in which the Corporation does business and in the Corporation's industry sectors or other industries relevant to the Corporation's business; and
- ability and willingness to commit adequate time to Board and committee matters, and be responsive to the needs of the Corporation.

The Board will periodically assess the appropriate number of directors on the Board and whether any vacancies on the Board are expected due to retirement or otherwise. If vacancies are anticipated, or otherwise arise, or the size of the Board is expanded, the Board will consider various potential candidates for director. Candidates may come to the attention of the Board through current directors or management, stockholders or other persons. These candidates will be evaluated and may be considered at any point during the year.

Diversity Policy

The Corporation's senior management and Board have varying backgrounds and expertise and were selected on the belief that the Corporation and its stakeholders would benefit from such a broad range of talent and cumulative experience. The Board considers merit as the essential requirement for board and executive appointments, and as such, it has not adopted any specific target number or percentage, or a range of target numbers or percentages, respecting the representation of women, Indigenous peoples, persons with disabilities, or members of visible minorities (collectively, "**members of designated groups**") on the Board or in senior management roles.

The Corporation has not adopted a written diversity policy and seeks to attract and maintain diversity at the executive and Board levels' informally through the recruitment efforts of management in discussion with directors prior to proposing nominees to the Board as a whole for consideration. Although the level of representation of members of designated groups is one of the many factors taken into consideration in making Board and executive officer appointments, emphasis is placed on hiring or advancing the most qualified individuals. As of the date of this Circular, one of the Corporation's five directors is a woman. No other members of designated groups currently hold positions on the Board or in senior management.

Director Term Limits

The Corporation does not have a policy that limits the term of the directors on its Board and has not provided other mechanisms of Board renewal. At this time, the Board does not believe that it is in the best interests of the Corporation to establish term limits on a director's mandate or a mandatory retirement age. The Board is of the opinion that term limits may disadvantage the Corporation through the loss of beneficial contributions of directors who have developed increasing knowledge of the Corporation, its operations, and the industry over a period of time.

Compensation & Corporate Governance

The Compensation & Corporate Governance Committee assists the Board in its oversight role with respect to (i) the Corporation's global human resource strategy, policies and programs, and (ii) all matters relating to the proper utilization of human resources within the Corporation, with special focus on management succession, development and compensation. The Compensation & Corporate Governance Committee is currently comprised of Ross Geddes (Chairman), Roger Dent and Eric Szustak.

The Compensation & Corporate Governance Committee:

- reviews and makes recommendations to the Board at least annually regarding the Corporation's remuneration and compensation policies, including short and long-term incentive compensation plans and equity-based

plans, bonus plans, pension plans (if any), executive stock option plans including the Stock Option Plan and grants and benefit plans;

- has sole authority to retain and terminate any compensation consultant to assist in the evaluation of director compensation, including sole authority to approve fees and other terms of the retention;
- reviews and approves at least annually all compensation arrangements with the senior executives of the Corporation;
- reviews and approves at least annually all compensation arrangements with the directors of the Corporation; and
- reviews the executive compensation sections disclosed in annual management proxy circular distributed to the shareholders in respect of the Corporation’s annual meetings of Shareholders.

The Corporation believes that it has adopted corporate governance procedures and policies which encourage ethical behaviour by the Corporation’s directors, officers and employees.

Other Board Committees

The Board has no standing committees other than the Audit Committee and the Compensation & Corporate Governance Committee.

Assessments

The Board does not consider formal assessments useful given the stage of the Corporation’s business and operations. However, the Chairman of the Board meets annually with each director individually, which facilitates a discussion of his contribution and that of other directors. When needed, time is set aside at a meeting of the Board for a discussion regarding the effectiveness of the Board and its committees. If appropriate, the Board then considers procedural or substantive changes to increase the effectiveness of the Board and its committees. On an informal basis, the Chairman of the Board is also responsible for reporting to the Board on areas where improvements can be made. Any agreed upon improvements required to be made are implemented and overseen by the Board. A more formal assessment process will be instituted as, if, and when the Board considers it to be necessary.

AUDIT COMMITTEE INFORMATION

The Audit Committee’s Charter

The directors of the Corporation have adopted a Charter for the Audit Committee, which sets out the Audit Committee’s mandate, organization, powers and responsibilities. The full text of the Audit Committee Charter is attached hereto as Appendix “A” to this Circular.

Composition of the Audit Committee

The members of the Audit Committee are Anthony Roodenburg (Chairman), Roger Dent and Eric Szustak. Messrs. Roodenburg and Szustak are independent (as defined in National Instrument 52-110 – *Audit Committees* (“NI 52-110”) adopted by the Canadian Securities Administrators), while Mr. Dent is not independent as he is an officer of the Corporation, and all members are financially literate (as defined in NI 52-110).

Name of Member	Independent ⁽¹⁾	Financially Literate ⁽²⁾
Anthony Roodenburg (Chair)	Yes	Yes
Eric Szustak	Yes	Yes

Notes:

- (1) To be considered independent, a member of the Audit Committee must not have any direct or indirect "material relationship" with the Corporation. A "material relationship" is a relationship which could, in the view of the Board of the Corporation, be reasonably expected to interfere with the exercise of a member's independent judgment.
