There are certain risk factors associated with an investment in the Company's securities.

CANNABIS FOCUSED CAPITAL

The cannabis industry is growing rapidly due to a loosening of regulation across the globe. While the growth potential is high, capital to fund this growth remains scarce. Quinsam Capital Corporation (“Quinsam” or the “Company”) is focused on providing flexible financing solutions to the cannabis industry. As one of the first institutional investors to enter the space, our platform combines financial, regulatory, strategic and hands-on cannabis experience so that we can maximize the returns to our investors from our portfolio of cannabis investments.
